

Philatelic Exhibiting Bibliography

Posted on Digital Philately January 10, 2009 by Fran Adams

Many collectors starting out in the digital philatelic exhibiting arena don't always know what background reference material exists for the art of traditional philatelic exhibiting.

Digital exhibiting is based on the traditional exhibiting discipline and therefore we offer the following list of books and articles as a place to start. References for digitally oriented subjects may be found on our references page.
